

Earn exclusive savings on shipping from Purolator

There are now even more benefits to being a Manitoba Chamber of Commerce member, because we have negotiated preferential rates with Purolator.

Now you can save up to 45% when you ship products, critical documents and much more!

Today's evolving market has created a host of new challenges for businesses. We understand your need to constantly look for ways to reduce costs, optimize your customers' experience and stay ahead of the competition.

This is precisely why we chose Purolator, a Canadian-owned company built to support Canadian businesses.

By partnering with Purolator, you can take advantage of:

- An extensive network that reaches nearly every corner of the country
- A complete suite of services, including online shipping and time-guaranteed delivery
- Best-in-class performance rates

Manitoba Chamber of Commerce negotiated these rates exclusively for members like you, so be sure not to miss out on this opportunity.

Visit www.purolator.com/mcc to enrol and start taking advantage of these special rates.

Already a Purolator user? Register the Chamber you belong to through www.purolator.com/mcc and start enjoying the savings!

My business was already receiving discounts for Purolator; we were happy. When we confirmed our Chamber membership with Purolator, the savings were amazing and we were ecstatic! This benefit (with MCC) really affected our bottom line.
