

# Chamber Executives of Manitoba

## Who We Are

The Chamber Executives of Manitoba (CEM) is the professional development association for managers and staff of Chambers of Commerce and Boards of Trade in Manitoba, Canada. The Manitoba Chamber of Commerce serves as the administrative body for CEM. CEM offers education, resources, and networking opportunities for Chamber professionals and is all about making good Chambers of Commerce and Boards of Trade staff even better!

## Join Join

However small or large your Chamber, the CEM is for YOU! If you are a Chamber of Commerce or Board of Trade Executive Director, Manager, CEO, or Staff Member, you may become a member of the CEM. If your Chamber does not have staff a key volunteer may become an associate member.

## Why Be a Member?

**It is the most relevant membership to:**

**Connect** you with peers that understand your daily challenges & opportunities & can act as mentors, teachers or confidants for sharing resources & information.

**Provide** templates & samples that help you better serve & manage volunteer & staff resources.

**Recognize** the innovative work you do & support the development of a professional network.

**Introduce** you to the finest suppliers in the Chamber industry for items such as membership software, online communications, insurance, merchant programs etc.

Keep you **informed** of the latest trends in economy, energy, demographics, leadership, management & technology so that your Chamber, business community & regional economy can be its very best.

*The networking opportunities, interchange of information & ideas, access to tools & training designed specifically for association staff & administrators assists them in providing professional & effective management of their organizations.*

**Membership in Chamber Executives of Manitoba is beneficial for both the individual Chamber professional & for the success of the Chamber!**
