

VISIT AND INVEST IN NORTHERN MANITOBA: A REGION RICH WITH RESOURCES, EXPERIENCES, AND OPPORTUNITIES

The Manitoba Chambers of Commerce (MCC) - jointly with the Province of Manitoba as part of the *Look North* initiative and Government of Canada through *Community Futures Manitoba* (CFM) and the *Churchill Regional Economic Development Fund* (CRED) - has created the *Economic Development Tours* to bring together interested business leaders in a two-day program that highlights the economic development opportunities in communities throughout northern Manitoba.

Starting at only \$995 plus GST (registration rate may vary by location), each participant registration includes transportation to and from each community (from Winnipeg) and transportation between venues during the scheduled agenda, accommodations for one (1) night, all meals during the scheduled agenda, and all admissions to tour locations during the scheduled agenda. There is a maximum of two (2) individuals per organization per tour.

Interested individuals must complete an Expression of Interest Form at least five (5) business days prior to planned departure for any tour to be considered. Completing the form does not guarantee participation; interested individuals will be notified of their participation three (3) weeks in advance of any planned tour.
