

BUILDING ENERGY EFFICIENCY CHAMPION AWARD APPLICATION

Overview

The purpose of this award is to recognize an individual who is a building's energy efficiency champion and who has demonstrated a commitment to realizing energy reductions in their participating Race building(s). Anyone who works in a participating Race building is eligible to win this award including: Property Managers, Building/Facilities Managers, Building Operators, Green Team Leaders/Members, Marketing Specialists, CEO's, Executive Directors, Sustainability and Environment Managers, Office Managers etc. To nominate yourself or someone on your team, please complete the form below.

Eligibility Requirements

Eligible Energy Efficiency Champions must be full or part time employees working in a participating Manitoba Race to Reduce Building.

Application Deadline

The application form below must be submitted to info@manitobaracetoreduce.ca by 5PM on Friday, March 12th, 2021.

Evaluation Process

Submissions will be reviewed and evaluated by the awards committee. Each of the committee members will assign a score between 1 (low) and 10 (high) to the responses of the application question. Submissions with the highest scores will be further evaluated by the committee in order to select a winner. Winners will be announced at the annual awards ceremony.
